**New SES Business Manager takes the reins in South West**

Award winning building services provider, SES, has appointed Royston Wright as its new Business Manager within its West & Central Division.

Based in the company's new Bristol office, Roy, who joined SES at the beginning of June 2010, is responsible for promoting and developing business relationships within the South West area.

During a career spanning more than 30-years, Roy has attained a consistent track record of achieving results in business development; facilities management & advisory consultancy; project management and procedural auditing. He reports directly to Mike Driscoll, Divisional Business Manager for the West & Central division, who said, "I'm delighted to welcome Roy to the team. He is a customer focussed

individual, with significant experience and expertise within a broad spectrum of the construction industry.

“He will be instrumental in strengthening links with our clients within our key sectors. I’m sure he will have a very positive impact on the business, as we continue to grow SES in this area.”

Roy, 58 enjoys travelling and gardening in his spare time.
